

The Welch Allyn Professional

With its minimal weight and custom-fitting headset and ear tips, the Professional is one of the most comfortable and versatile general-use stethoscopes manufactured today. Its acoustics allow for accurate auscultation of cardiac, pulmonary, and vascular sounds. And the chestpieces in the adult, pediatric, infant, and anesthesiology versions of the Professional enable you to select a stethoscope that best meets your specific needs.

- General-use stethoscope
- Stainless steel double-head (bell and flat diaphragm) chestpiece with nonchill rim
- Available in pediatric and anesthesiology models
- Rotatable binaurals and interchangeable comfort sealing ear tips
- Latex-free
- 5-year warranty

The Welch Allyn Harvey™ Elite®

The Harvey Elite offers updated styling along with the superior comfort and auscultation capabilities that cardiologists have come to rely on. It is equipped with dual-bore, latex-free tubing that creates two uninterrupted sound channels and works with the optimally weighted, rugged, and stainless steel chestpieces. In addition, the Elite's diaphragm is designed to accentuate important sounds—all this enables you to hear cardiac, pulmonary and vascular sounds.

- Full-range cardiology/pulmonology stethoscope
- Double-head (bell and flat diaphragm) stainless steel chestpiece with nonchill rim
- Pediatric chestpieces available
- Rotatable stainless steel binaurals and interchangeable comfort sealing ear tips
- Triple-leaf binaural spring encased in polyurethane allows size adjustment while preventing breakage
- Choice of tubing length
- Latex free
- 10-year warranty
